

Grand Opening of The Lodge at Circle Star Pet Resort a Hit! June 2011

People flocked to the Grand Opening of Circle Star Pet Resort's newest building known as The Lodge.

The Lodge, reminiscent of a West Texas Hunting Lodge, is a luxurious home like environment for dogs! The Lodge features all suite rooms with private patios. Two large indoor air conditioned play rooms makes it easy to play all day! The event featured Bill and Star from America's Greatest Dog and The Super Bowl Dogs! Misty Simms Photography was flown in to capture great photos of owners and their dogs on an old fashion buckboard wagon. Appetizers and beverages for both humans and dogs were enjoyed by everyone. Events also included free agility lessons for dogs and micro-chipping.
