Cathy will be moving from California to our area this Spring and will be offering Dancing Lessons With Your Dog exclusively at Circle Star Pet Resort!

Lola has a resume that includes this commercial, an Advantix commercial and a part on Law and Order. She is a trained Obedience, Rally, and Agility dog.

Java has a resume that includes this commercial, a print ad in Japan's WAN magazine and an Animal Planet segment to name a few. He is a trained Obedience and Agility dog and is currently performing Freestyle dance routines throughout California.

Frequently asked question: How were you able to nail down a Super Bowl commercial for your dogs?

Answer: Two years ago, I heard an agency was searching for a trained Collie to appear on an ad for Petco. I submitted my collies' photos. I never heard from them. A month ago, the agency told me they had selected my collies for two commercials. I had no idea they were for Super Bowl ads!
